Outdoor Gear Bundles

Outdoor gear can be expensive, especially for a group, which is why the Adventure Program is offering Gear Bundles! Bundles will save 20% off the regular price of the included gear, and includes everything you need to rent for a certain activity. Simply select your gear package from the gear rental form and we'll take care of the rest.

Please note we cannot exchange components in kits. Packages subject to availability. No retail items are included in packages, but are available for purchase if needed. Please see retail prices for more information.
