Policy for Inclusion of Times in Terrapin Masters Team Records

Terrapin Masters is a club of U.S. Masters Swimming (USMS). Swims included in this document are to be official (USMS sanctioned/recognized) swims completed by swimmers representing Terrapin Masters. Swims may also be included by swimmers representing Terrapin Masters at official World Aquatics/FINA competitions inside or outside of the United States, or with Terrapin Masters as the designated secondary club (where applicable).

Relay Leadoff and Initial Distance Splits can be considered by USMS as official swims when a split request is submitted at the time of swim.

In recognition that there are non-USMS opportunities to compete, these swims may also be included in our record-book. For consideration of those swims not a part of the above, the following criteria shall be met:

- 1 The swimmer needs to be registered with Terrapin Masters at time of swim. (For example, a swimmer may concurrently also be a member of another World Aquatics federation.)
- 2 The event must be an official competition (example: sanctioned, run according to a governing body rules, has officials, etc.).
- 3 It is incumbent on the swimmer to submit results to the Terrapin Masters Record Keeper for inclusion.

Implementation Notes

Swims from USA-Swimming events should follow typical process for submitting times to USMS; these times shall be considered automatically. If this is not done, the swims are subject to the above criteria.

For automatic consideration of Relay Leadoff and Initial Distance Splits, an official split request should be submitted to the meet director when swimming. If this is not done, the swims are subject to criteria #3 above.
