Fun Fridays Dodgeball

Game Rules:

1. This game is played with a minimum of 4 players per side and a maximum of 6. All teams are Co-Ed, and the only acceptable gender ratios are: 2:2, 2:3, 2:4, 3:3.

2. The object of the game is to knock out the players on the other team by throwing the balls at them. Once a player has been knocked out, they may only come back in if a teammate catches a throw from an opponent.

3. If a player is hit by an airborne ball before it touches the ground, that player is out.

4. If a player catches a ball that is thrown at them, the player who threw the ball is out. In addition, an eliminated teammate of the player who caught the ball may come back onto the court.

5. If an airborne ball deflects off of a player, and is caught by any teammate of the player hit, the player hit is not out, and the player who threw the ball is out. In addition, an eliminated teammate of the player who caught the ball may come back onto the court.

6. Games will be timed for 4 mins. If no winner is determined before time expires, the team with the most players remaining will win. If the number of players is the same, there will be a 1 minute overtime, with all players from each team (6) starting on the court.

7. The first team to win 3/5 games wins the match.

8. All players must STAY on the playing court (red lines, volleyball court) for the duration of the game, unless they are exiting through the back line only to retrieve a ball. Repeated violations of this rule will result in a player being “out”.

9. All games will start with a whistle, and an initial “rush” to the midline to retrieve balls. Players may NOT throw at an opponent off the initial rush until they are behind the volleyball “10 foot” line.

10. ALL GAMES ARE SELF OFFICIATED. COURT MONITORS ARE THERE TO KEEP TIME. THEY WILL MAKE NO DECISIONS REGARDING WHO IS OUT. BE HONEST!!
